Then you will be eating nose to tail at a multi course lunch of farm products paired with wines on the covered terrace of their farmhouse, which is in the hinterlands of Venelles but less than 30 minutes from the center of Aix-en-Provence.

Following the meal you can shop in their boutique to take home their excellent terrines, saucissons and frozen meat for later enjoyment.

Products and prices are on their web site <http://www.sanglierdeprovence.com/> in case you wish to prepare your shopping list in advance and save delivery charges.
