Winery Visit and Tasting

Mas des Infermières

Opède, le Luberon

Tuesday 6 December 2022

10h30 - 12h30

This is not your usual winery nor will it be a usual winery visit.

Situated in the “golden triangle*” of the Luberon, it is a creation of Ridley Scott, the director of the epics Blade Runner, Alien, Gladiator and A Good Year, the film adaptation of the best seller written by his friend and neighbor, the late Peter Mayle.

Though from the exterior it looks like it has been part of the landscape forever, inside is a different story.

The 30 HA of vineyards are old and until this spanking new facility was built, vinification was done at the local cooperative. This is a familiar story. Le Chateau Romanin in our hood went through the same process.

We will have a tour by our guide, the amiable Clara that lasts 1h including the visit of the winery with her commentary about the Luberon appellation, the harvest and the winemaking. We will see props from Ridley Scott's best movies as we make our way through the winery.

The price is 20€ per person payable at the winery and the tour ends with the degustation of 5 wines in the VIP tasting room.

What's more, we have negotiated a 10% discount for wines purchased by us at the end of the tasting.

Please RSVP promptly, latest by 4 December.

This event has been organized by La Table des Amis de Provence, a non-profit association that connects wine and food lovers to a table of friends.
